Reasons And Persons

Reasons and Persons is a 1984 book by the philosopher Derek Parfit, in which the author discusses ethics, rationality and personal identity. It is divided into four parts, dedicated to self-defeating theories, rationality and time, personal identity and responsibility toward future generations.

Reasons and Persons - Wikipedia

Reasons and Persons is divided into four sections, of which I think the 3rd and 4th are the most fun and interesting.

Amazon.com: Reasons and Persons (9780198249085): Parfit ...

Reasons and Persons is unquestionably one of the most important philosophical works of the 20th century, although its conspicuous absence from bookstore shelves might suggest otherwise.

Reasons and Persons by Derek Parfit - Goodreads

Reasons and Persons Derek Parfit Abstract. This book has four loosely connected parts. Part One discusses some ways in which theories about morality and rationality can be self-defeating. Such theories give us certain aims, but also tell us to act in ways that frustrate these aims. If these theories are revised, these objections can be partly ...

Reasons and Persons - Oxford Scholarship

Reasons and Persons Rarely does a long and densely argued philosophical work come to the attention of the general reader.

Reasons and Persons Analysis - eNotes.com

Reasons and Persons by Derek Parfit. Derek Parfit was a British philosopher who specialised in personal identity, rationality, and ethics. He is widely considered one of the most important and influential moral philosophers of the late 20th and early 21st centuries.

Reasons and Persons - Derek Parfit - Oxford University Press

Derek Parfit was among the first contemporary theorists to explore the relation between identity and ethics explicitly, first in his seminal early 1970s articles, "Personal Identity" and especially "Later Selves and Moral Principles," and then in his restatement and development of the view in Part III of his 1984 book Reasons and Persons (from which the present exposition is taken). Parfit's is, in many respects, a Lockean account of personal identity, although there are significant ...
